

Sustainable Institutional Change for Federal Facility Managers

3.0 HRS .4 FEMP CEUs

Gain practical information and action-based tools to change individual and organizational behaviors to meet strategic sustainability goals:

- Apply the construct of Rules, Roles, and Tools to support energy efficiency and strategic sustainability goals
- Apply eight principles of institutional change to strategy development
- Develop plans to implement behavior change in existing policies and practices and introduce new sustainable behaviors
- Enable lasting change by evaluating outcomes and refining strategies

FEMP Core Courses

- No cost, no travel, access 24/7
- Online, open-access courses
- Instructors with Federal sector experience
- In-depth courses completed at your pace
