

## Launching a Utility Energy Services Contract (UESC): Getting to Yes!

3.0 HRS .4 FEMP CEUs

Learn how to develop and implement energy savings projects under a Utility Energy Services Contract:

- Evaluate serving utility interest and capabilities
- Form a team with the right skill sets to get a UESC underway
- Answer common questions concerning authority, procurement options, and funding options
- Work with the serving utility to identify Energy Conservation Measures for deep savings
- Select the best contract vehicle to develop a UESC for your site
- Evaluate and select financing options, including rebates and incentives

## FEMP Core Courses

- No cost, no travel, access 24/7
- Online, open-access courses
- Instructors with Federal sector experience
- In-depth courses completed at your pace
